1 Facility Development – Planning Issues

Sport England is a statutory consultee on planning applications. It is intended that this session will inform NGB Officers about planning requirements, so they can feel more confident when dealing with facility development projects.

Steve Beard, Planning Manager, Sport England

2 Nottingham City Council – New Structure

Following a significant restructure the City Council now have a new look and direction for its Sports and Community teams.

John Wileman, Head of Sport & Leisure, Nottingham City Council

3 Building Schools for the Future – City Wave

A short update and progress to date on the BSF programme within the City wave.

John Wileman, Head of Sport & Leisure, Nottingham City Council

4 Step into Sport – Links for Governing Bodies

The Step into Sport project focuses on young people aged 14 to 19, giving them opportunities to become involved in sports leadership and volunteering and encouraging them to continue this into later life. This agenda slot will aim to identify how NGBs can link into the project effectively to both receive and provide support to and from the SIS project.

John Selby-Sly, Step-into-Sport Officer

5 Nottingham Trent University – Facility Development

NTU are undergoing a major facility development at its Clifton Campus. A short presentation will be given detailing the new facilities and the supporting sports performance provision which may be of interest to Governing Bodies.

Marcus Spain, Sport & Fitness Facilities Manager, Nottingham Trent Uni

6 Review of findings from Nottinghamshire Club research project

Following research undertaken on behalf of Nottinghamshire over the past 7 months, the complete findings will be presented to the Forum. The research was conducted to investigate the needs, views and knowledge of coaches and volunteers within clubs.

Jill Puttnam, Prospects 4 Sport

7 Teacher Education Programme

An introduction to the current programme. Along with a look forward to how Governing Bodies can engage with future planning.
