Data Protection Act 1998

We will keep the personal information you provide on a secure database for monitoring purposes. We would also like to share the information on our database with our partners and other voluntary organisations within Nottinghamshire to offer you other volunteers. We will not pass your details to any other party without your prior consent. We will ensure that our database records are reviewed for accuracy every 12 months. We will remove your details from our database on your request.

Website Details – Your volunteer opportunity will be added to www.intosport.or.uk and details will be given out in response to queries.

By registering your details you have agreed to the above statements.
